District Superintendent's Report

Lexington School District Four, Gaston-Swansea, serves approximately 3,400 students in preschool through adult education. Students are served in seven quality facilities that support innovative instructional programs. Our mission is to provide for continuous improvement in each student's academic performance. To accomplish our mission, instructional programs are supported by three overall goals for the district: improving student achievement, building teacher/ administrator capacity and improving school climate.

To achieve these goals, the primary focus of the Board of Trustees and administration is to promote employee quality. Therefore, we are committed to building and sustaining professional learning teams throughout the schools and district. We are committed to hiring, developing, and retaining the very best teachers and administration to serve students in Lexington School District Four. Transitional programs also support our mission by providing a strong foundation for young children at the Early Childhood Center and a small learning environment for ninth-grade students at the Freshman Academy to ensure that freshman earn key core courses critical for graduation.

Accomplishments this year include the successful completion of a quality assurance review through AdvancEd accreditation; implementation of a summer literacy grant to overcome summer learning loss; Palmetto Silver Awards for Sandhills Middle School and Swansea High School; and Region V AAA Championships in girls' soccer, wrestling and boys' track. Numerous awards were received by participants in band, chorus, JAG, HOSA and Beta Club programs. The Swansea High School and Sandhills Middle School Band programs received the South Carolina Band Directors Association Outstanding Performance Award for the second year in a row.

Challenges for the 2013-14 school year include, transitioning from state curriculum standards to the new common core standards, continuing to provide quality programs with minimal state support, and increasing our graduation rate.

Lexington Four is very grateful for the support received from our seven-member Board of Trustees, our teachers, administrators, and staff, as well as our families and communities as we strive to always place students first. We will continue to devote our resources to ensuring that every student has the opportunity to be successful.

Dr. Linda G. Lavender, Superintendent
